

SoloTogether

Where History Comes Alive

The home of New England's living history performers and impersonators.
A guild of performing artists and history enthusiasts, who bring politics, arts and sciences to life.

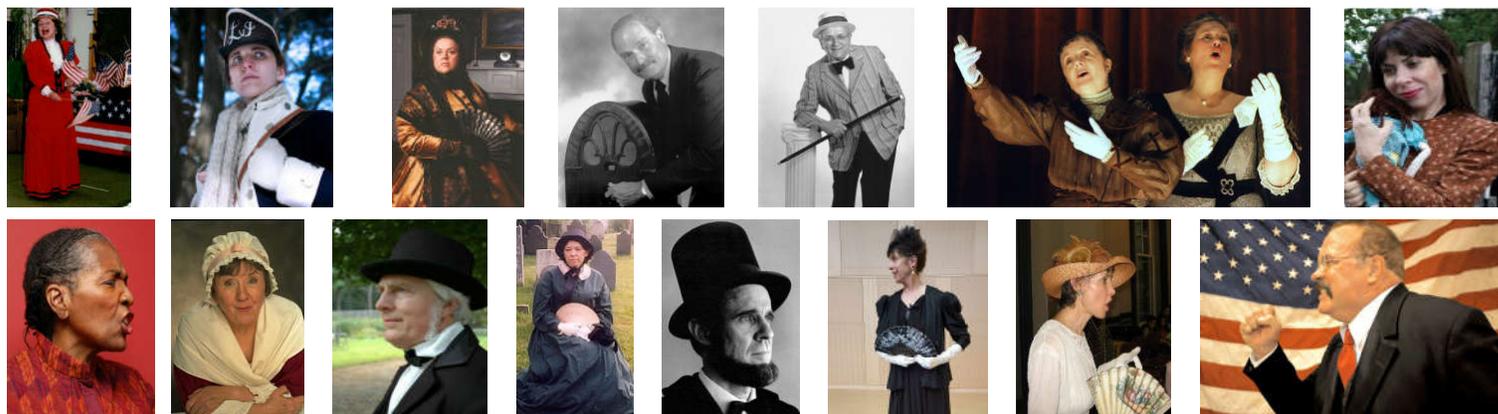

An opportunity to meet Queen Elizabeth I, attend an abolition rally or hear Walt Whitman recite a poem may seem highly unlikely, but it is possible. *SoloTogether* is where you may meet anyone from John Adams to Abigail Whitney. Our artists can transport you back in time to experience the exhilaration of talking to and asking questions of some of the great characters of history.

Our performers have entertained and educated across the country at libraries, schools, museums and for civic organizations with programs to complement collections, curricula, exhibits and special events.

If you'd like to learn more about bringing one of history's notables to your organization, please visit our web site at www.SoloTogether.com.

See the reverse side of this flyer for a listing of characters and programs that are currently available.
